

# AQ101 – Fundamentals of Aqeedah

---

## Beliefs concerning Allah Ta'ala

1. In the beginning, the entire universe was non-existent. Through Allah, it came into existence.
2. Allah Ta'ala is *One*.
3. He is not dependent on anyone.
4. He has not given birth to anyone, nor was He begotten.
5. He is the creator of all things; nothing has created Him.
6. There is no one equal to Him.
7. He does not have any wife.
8. He has been since eternity and will remain till eternity.
9. There is nothing similar to Him. He is unique.
10. He is alive.
11. He has power over everything.

12. There is nothing that is beyond His knowledge.
13. He sees and hears everything.
14. He speaks, but His speech is not like ours.
15. He does whatever He wishes and there is no one to stop or reprimand Him.
16. He is the ruler over everyone and no one is a ruler over Him.
17. He alone is worthy of being worshipped.
18. He has no partner.
19. He is merciful.
20. He is the lord/sustainer.
21. He is free of all blemishes.
22. He is the one who saves His servants from all calamities.
23. He is the possessor of honour and greatness.
24. He is the forgiver of sins.
25. He is all-powerful.

26. He gives in abundance. He is the one who gives sustenance. He decreases the sustenance of whoever He wishes and increases the sustenance of whoever He wishes.
27. He humiliates whoever He wishes and elevates whoever He wishes.
28. He gives honour to whoever He wishes and disgraces whoever He wishes.
29. He is just.
30. He is extremely tolerant and forbearing.
31. He values and rewards service and worship rendered to Him.
32. He accepts *duas* (supplications).
33. He is all-encompassing.
34. No work of His is devoid of wisdom.
35. He is the one who fulfils the needs of everyone.
36. He is the one who created everyone and He is the one who will bring all back to life on the day of *qiyaamah*.
37. He is the one who gives life and He causes death.

38. Everyone knows Him through signs and attributes.
39. No one can know the essence of His being.
40. He accepts the repentance of the sinners.
41. He punishes those who deserve punishment.
42. He is the one who gives guidance.
43. Whatever happens in this universe occurs under His order
44. Without His order, even an atom cannot move.
45. He does not sleep nor does He slumber.
46. He does not get weary of protecting the entire universe.
47. He is the one who is keeping everything in control.
48. He has all good and beautiful qualities.
49. There is no bad or defective quality in Him, nor is there any blemish in Him.
