

Arguments with a Non-Muslim, is he rewarded?

Q: When a person has an argument with a non Muslim or with a Shia defending Islam or defending Sahabah, even if it is via the internet, does he get rewarded?

A: It is Fardh upon every Muslim to defend Islam and the illustrious position of the Sahabah (RadhiALLAHu Anhum) in every possible way including electronic mail, etc. Just as a person is rewarded for fulfilling his Fardh Salat, so too will he be rewarded for fulfilling the Fardh of defending Islam and the illustrious Sahabah (RadhiALLAHu Anhum).
