

Husband changed to Shiaism after the marriage?

Q: A Sunni couple got married and after some time the husband changed to Shiaism. Is the marriage still valid since the girl is still Sunni?

A: Contemporary Jafari Shi'as have beliefs that are inconsistent with the Quran and Hadith. Hence, they are not Muslims. Kindly refer to Shiaism unedited / Unbridgeable Divide at: www.ask-imam.com

The Nikah has terminated from the time the 'husband' became a SHIA.
