In the name of Allah, the Most Beneficent, the Most Merciful

The prophet Mohammed the son of Abdullah - peace and blessing of Allah be upon him and his family - is the messenger of Allah Almighty to all the two creation (man and Jinn), so everyone on the face of earth since the beginning of the prophet hood of Mohammed the son Abdullah - peace and blessing of Allah be upon him and his family - has been sent to him (*Say: O people! surely I am the Messenger of Allah to you all, of Him Whose is the kingdom of the heavens and the earth there is no god but He; He brings to life and causes to die therefore believe in Allah and His messenger, the unlettered Prophet who believes in Allah and His words, and follow him so that you may be guided*) 158, Surah Al-Aaraf.

Imam Muslim narrated from Jabir bin Abdullah - may Allah be pleased with them - he said: the Messenger of Allah peace and blessing of Allah be upon him and his family said: "*Every Prophet used to be sent to his nation only but I have been sent to all mankind*". So everyone from any religion or faith have to believe in Mohammed - peace and blessing of Allah be upon him and his family - and whoever rejects guidance and abstains from the truth, their place will be in the hellfire.

The people of the book: the Jews and Christians, are the first addressed with that. The Messenger of Allah peace and blessing of Allah be upon him and his family said: "*By the One in Whose hand is the soul of Muhammad, there is no-one of this ummah, Jew or Christian, who hears of me then dies without believing in that with which I have been sent, but he will be one of the people of Hell*". Narrated by Muslim.

So the Jews and the Christians are ordered to follow the prophet peace and blessing of Allah be upon him and his family (*Those who follow the Messenger, the illiterate prophet, whom they find written in the Taurat and the Injeel (who) enjoins them good and forbids them evil, and makes lawful to them the good things and makes unlawful to them impure things, and removes from them their burden and the shackles which were upon them*) 157, Surah Al-Araf.

The prophets - peace be upon them - have prophesized of the last prophet Mohammed and recommended their followers to follow him and abide and enter Islam with him (*but most men do not consent to aught but denying*) 89, Surah Al-Isra.

Mohammed - peace and blessing of Allah be upon him and his family – brought honorable Hanifiya, Tawhid, justice and mercy, but evildoers do not consent and choose misguidance, injustice, oppression, aggression and ignorance.

Arabic poetry

He came when Jahiliya was in misguidance and Kufr: Worshiping stones,

But he brought the religion of Islam with Surah Al-Fatiha read in five Salat,

He replaced for unjust polytheism with justice, and fear with security,

He called them preachers but they were blind and deaf, so he followed with striking and stabbing,

He issued his ruling in those killed and those who were captured were ransomed or released,

And he forced out his haters from the forts and didn't leave any of them on the land,

He put on a shining sword and a long spear,

He attacked them at dawn on galloping horses,

If you weight the Arabs and non-Arabs against him - may I be sacrificed for him they wouldn't equal him,

Offending the prophet is an unforgivable crime, negotiations aren't beneficial and apology is unacceptable, (*And if you should question them, they would certainly say: We were only idly discoursing and sporting. Say: Was it at Allah and His communications and His Messenger that you mocked? -65- Do not make excuses...*) Surah, At-Taubah. The depreciation of the honorable status of prophethood can only be bound by shedding blood. When the cursed Jew (Ka'ab bin Al-Ashraf) wanted to offend the honorable status, the prophet - blessing of Allah be upon him and his family – called the Muslims: "*Who is for Ka'ab bin Al-Ashraf, he has offended Allah and His messenger*".

And today: *Who is for America, it has offended Allah and His messenger.*

The speeches, statements, boycotting, demonstrations, demanding apology and legislation of laws didn't uplift the support of the prophet - peace and blessing of Allah be upon him and his family – and only made the Kuffar

increase their arrogance and tyranny. The effective solution is what has been started by the prophet - peace and blessing of Allah be upon him and his family - with Ka'ab bin Al-Ashraf.

Arabic poetry

Leave the ink and write with red blood, and shut your mouth and speak with the second mouth

The mouth of canons in the chests of the enemies it has an eloquence to accept defeat

Today, there are no speeches or letters, but rather cutting tongues and striking necks. The word is that of the swords.

Arabic poetry

The language of speech falls short from speaking with arms, we are eager for mute tongues on eloquent hands

How good are the Muslims in Libya for killing the American ambassador? They have made a good Sunnah. They and those who do the same will be rewarded on the day of Judgment. O' what successful faces and blessed are your hands!

Arabic poetry

They said you have raided while the messengers of Allah weren't sent to kill a soul or bloodshed

Ignorance, misguidance of dreams and fallacy, you have conquered with the sword after conquering with the pen

When every nobleman came to for forgiveness, the sword undertook the ignorant and misguided

Where are those who love the messenger of Allah?

Where are those who sacrifice for him the money and soul?

Where are those who are sincere towards Allah?

The patrons of the Americans are saying: (I will give) my throat before the "throat" of the embassy.

So where are the believers who say: (I will give) my throat before your throat O' messenger of Allah.

I swear by Allah that Allah will defeat the enemies of the prophet and the agents of the enemies of the prophet, and Allah will aid the prophet through us, we the believers. This is Allah's promise to His prophet: (*then surely Allah is sufficient for you; He it is Who strengthened you with His help and with the believers*) 62 Surah, Al-Anfal.

We are the sons of who made Baya'a to the prophet - peace and blessing of Allah be upon him and his family - on the day of Aqaba to support him, and they protect him from what they protect their women, themselves and their children. We are still committed to the vows of our forefathers and will fulfill the Baya'a. We say what our forefathers said: "*What a successful deal, we won't ask you to resign and we won't resign*".

Arabic poetry

We the Yemenis, O' Taha, fly to the high mounds by the souls of the Ansar

If you remember Amar and his principle, then be proud of us we are the descendants of Amar

The Muslims - all the Muslims - sacrifice for the messenger of Allah money and souls, and with their love for him and eagerness to meet him in eternity. O' how we long for the messenger of Allah! Today we meet the loved ones Mohammed and his companions.

(And whoever obeys Allah and the Messenger, these are with those upon whom Allah has bestowed favors from among the prophets and the truthful and the martyrs and the good, and a goodly company are they -69- This is grace from Allah, and sufficient is Allah as the Knower -70- O you who believe! take your precaution, then go forth in detachments or go forth in a body -71- And surely among you is he who would certainly hang back! If then a misfortune befalls you he says: Surely Allah conferred a benefit on me that I was not present with them -72- And if grace from Allah come to you, he would certainly cry out, as if there had not been any friendship between you and him: Would that I had been with them, then I should have attained a mighty good fortune -73- Therefore let those fight in the way of Allah, who sell this world's life for the hereafter; and whoever fights in the way of Allah, then be he slain or be he victorious, We shall grant him a mighty reward -74-) Surah An-Nisa.

(and Allah is the master of His affair, but most people do not know) 21, Surah Yusuf.
