

Why SHIAs do Sajdah on Mour?

Q: Why does a SHIA person while saying his prayers do Sajdah on a Mour (Khak-e-Shafa or Turbat)?

A: The practice of the SHIAs of making Sajdah on a Turbat is based on their reverence of the land of Karbala where Hadhrat Hussain (RadhiALLAHu Anhum) was martyred. Their practice is erroneous and unfounded in the Shari'ah.
